Removal Options

- Work Takeover: Gain Access to \$500,000 for the Removal but will need to be supplemented with \$ 4-5.5 Million. LTRI will not likely be able to get loan to put property back into productive use.
- Work with Owner: They spend their own money or money they got from loans to put property back into productive use. We get the removal action complete. They begin making money and put money back into facility and other environmental concerns.
- * Remedial believes that it may be a No Action ROD once removal complete.
